Projects

Real-time Whiteboard GitHub LiveDemo ***[JavaScript, HTML, CSS, Socket.io, Node.js]***

- Pioneered a **real-time collaborative whiteboard**, enabling multi-user interaction with **50ms** latency.
- Architected **WebSocket communication** using **Socket.io** for real-time updates and **WebSocket communication**, handling **100+ concurrent users**.
- Devised an efficient **Undo-Redo system** using **stack-based algorithms,** minimizing memory usage **by 30%**.
- Enhanced user experience by incorporating **customizable pencil, eraser, sticky notes, and board downloads, boosting user retention by 25%**.
- Fine-tuned performance, delivering a seamless drawing experience while **minimizing CPU usage by 25%**.

Inkspire GitHub LiveDemo ***[Hono, Cloudflare Workers, PostgreSQL, JWT]***

- Engineered a **full-stack blogging platform** enabling real-time content creation and management increasing **user productivity by 40%**.
- Architected **scalable PostgreSQL database** for efficient data storage, retrieval, and **improving query retrieval speed by 2x**.
- Spearheaded development of **JWT-based RBAC authentication**, securing **100% access control and session management.**
- Leveraged edge computing to accelerate content delivery, **cutting global latency by 30%.**
- Attracted and retained **100+ active users**, streamlining content workflows and improving accessibility.

Experience

AICTE-EduSkills Virtual Internship Program **Oct 2024 – Dec 2024**
Cloud Virtual Intern *(Remote)*

- Completed a 10-week internship focused on **AWS Cloud Computing** and **DevOps** practices.
- Applied AWS services, including **EC2**, **S3**, **RDS**, **IAM**, **Lambda**, and VPC.
- Integrated cloud-based applications, **scaling workloads by 3x** and **optimizing cloud costs by 25%**.
- Integrated **CloudWatch** and **CloudTrail** for improving **anomaly detection speed by 50%**.
- Strengthened **IAM policies**, reducing **unauthorized access attempts by 90%**, and enhancing compliance with AWS security benchmarks.

Competitive Programming

- **LeetCode:** Solved **100+** Problems (Profile Link)
- **Ranked in the top 10% of LeetCode contests with a rating of 1,494**

Certifications

- **AWS Academy Cloud Architecting** (Certificate Link)
- **Full Stack Web Development** (Certificate Link)
- **Data Structures and Algorithm** (Certificate Link)
